

# South Hills Catholic Academy Athletic Association Sports Registration

You can register your child for all sports for the school year using this form\*. You can also just choose the sports for the current season (Fall, Winter, or Spring) and turn in multiple forms during the school year. Use **one form for each child** and make sure to register by the deadlines announced for each season.

\* I understand that my child's involvement in athletics at South Hills Catholic Academy requires me to volunteer as needed, along with all other families taking part in athletic programs at South Hills Catholic Academy. Volunteering includes working at home games collecting entrance fees, running concessions, selling raffles, etc. I also understand that the school will assess a fee of \$50.00 for each athletic uniform not returned after the season.

\*\* To take part in any sport the school office must have the child's current medical release form. This does not apply to the "Little" sports and Spirit Squad.

## Athletic Fees

Each student athlete must pay a fee to offset the costs of running the program (uniforms, referees, equipment, league fees, etc.).

Families with <b>one</b> child in the program	<ul style="list-style-type: none"><li>• \$50.00 (1<sup>st</sup> sport)</li><li>• \$20.00 for each additional sport</li></ul>
Families with <b>more than one</b> child in the program	<ul style="list-style-type: none"><li>• First child - \$50.00 (1<sup>st</sup> sport) and \$20.00 for each additional sport</li><li>• Second child - \$40.00 (1<sup>st</sup> sport) and \$20.00 for each additional sport</li><li>• Third child - \$25.00 (1<sup>st</sup> sport) and \$20.00 for each additional sport</li></ul>
Little Dribblers, Spirit Squad, Little Kickers (Fall and Spring), Little Runners (Fall and Spring)	<ul style="list-style-type: none"><li>• \$25.00 - These are separate fees and do not have family discounts</li></ul>

The Athletic Association will not charge activity fees to students who take part in sports sponsored by other schools or organizations (for instance, Football). The sponsoring school or organization manages the fees and registration.

Fielding a team for a particular sport depends on having enough volunteer coaches. Also, if enough students do not register for a sport to field a team the Athletic Association will make every effort to place the students who did register on a team at a nearby school.
